Coopers' Craft Barrel Reserve

Coopers' Craft Barrel Reserve, the newest bourbon from Brown-Forman in 20 years, honors the company's more than 70 years of barrel-making and wood expertise as it is the only major distiller with its own barrel cooperage. Coopers' Craft uses a unique charcoal finishing process. The Coopers' Craft Barrel Reserve is aged in unique chiseled and charred American White Oak barrels that deepen the whiskey's wood exposure, creating a robust and complex bourbon bottled at 100 proof. \$29 - \$32
