Stay Golden

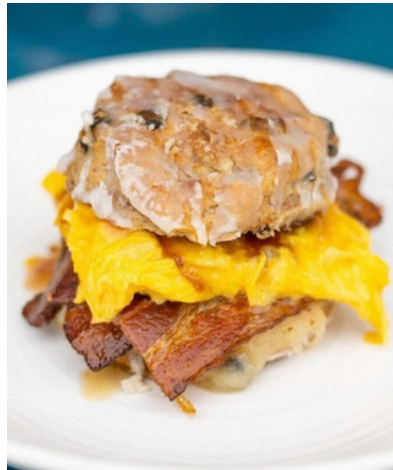

Stay Golden is setting the new standard for coffee concepts in Nashville. We treat coffee, food, and cocktails as equals, rather than putting one above the others. Nothing on the menu is an afterthought. Our goal is to serve elevated versions of the American diner classics all house made.

Gingerbread Man

A holiday classic sure to excite! The Gingerbread Man is a Stay Golden favorite for the holidays. Rested espresso, infused milk, with perfectly roasted coffee.

Love the drink? We can batch it and have it ready for pick up for your next event!

Breakfast Sandwich

We hand make everything from our biscuits to our salsa verde marmalade to our seasonal jams. With local eggs, our breakfast sandwiches make a morning (or afternoon) complete. Breakfast served all day!

Having relatives in town for the holidays? Just place a pre-order (2 days ahead) for our buttery, soft and completely house made biscuits and you can bake them at your house!

Cranberry Mimosa

Looking for the perfect fall twist on the traditional Mimosa? Look no further. With a warming combination of Cranberry Gin, Becherovka, Spiced Cranberry, and Prosecco, our Cranberry Mimosa is here to kickstart your holiday season!
